Other cities have larger parks but none prettier than Beautiful Beechwood. It's about time the management were making preparations for the opening of this delightful resort. In arranging the program for the season an old time Fourth of July celebration on the spacious and wooded grounds might be included.

### ACCIDENTAL DROWNING

Was Coroner Dresel's Verdict After Holding Inquest Over Remains of Flood Victim

Brief notice was made in yesterday's LEDGER of the finding of the body of Mrs. Elizabeth Boone, wife of Daniel Boone of Moransburg, this county, who, together with a son and daughter, all lost their lives in the flood in Lawrence Creek on the afternoon of April 1st, their home being washed away.

The bodies of the son and daughter were found in the Creek soon after the flood, but the remains of the mother were not recovered until yesterday morning, when a searching party located her body in the mud about a mile from the C. and O. bridge over Lawrence Creek and two miles North of their former home.

Coroner Dresel's verdict was that of accidental death by drowning.

The remains were buried at Moransburg yesterday afternoon.

### VANDALISM

Miscreants Dig Up and Carry Away Shrubs at Public Library

For the second time unknown persons have destroyed or dug up and ruined several vines and shrubs on the lawn in front of the Public Library.

One vine, a scion from a celebrated honey-suckle growing at Mt. Vernon, Washington's home, was dug up and removed.

Why will people be so wantonly mean as to destroy ornamental shrubs on the grounds of public property?

The police have been notified, and Chief Ort will no doubt run down the guilty parties and make an example of them.

J. E. Reed has the contract and is now at work laying a wider cement walk from Sutton street to the Public Library entrance. The new pavement will be ornamental and has been an improvement long needed.

## WARNER'S RUST-PROOF.

STYLE 215

A model simple in design but thoroughly up-to-date in shape, as are all of Warner's Corsets. We make a specialty of these corsets, as they are guaranteed not to rust, break, tear or the bones punch through the fabric. Rubber button hose supporters attached. Price \$1 per pair.

## SUIT FACTS.

Where a woman buys but one suit each season, using it for second best the next, she wants that suit to retain its shape until she is through wearing it.

This is one of the points wherein "WOOLTEX" excels. To the high quality of all materials used and the intelligent workmanship may be attributed the fact that a "WOOLTEX" coat holds its beautiful shape to the last, and that a "WOOLTEX" skirt hangs as gracefully at the end of its season of service as when new. This is because they are tailored to shape instead of being pressed into shape.

All "WOOLTEX" models, whatever the price, portray advance fashion ideas. Two full seasons of satisfactory wear is the guarantee that the "WOOLTEX" label carries with it and which we stand back of.

—AT \$25—

Our showing is exceptionally attractive, while at other prices, both above and below, you will find a liberal and select assortment. You'll like the separate coats and skirts, too.

## REPUBLICAN TICKET.

FOR CONGRESS,  
Hon. JOSEPH B. BENNETT.

FOR DELEGATE TO NATIONAL REPUBLICAN CONVENTION.

We are authorized to announce W. D. COCHRAN of Mason county as a candidate for Delegate to the National Republican Convention at Chicago in June, subject to the action of the Ninth District Republican Convention to be held at Carlisle, Ky., in May, 1908.

## CALL FOR REPUBLICAN COUNTY CONVENTION.

Pursuant to the directions of the party authorities, the Republicans of Mason county are called to meet in mass convention at the Courthouse in Maysville on Saturday, April 25th, at 1 o'clock p. m., standard time, for the purpose of selecting, by viva voce vote, delegates to the District Convention, to be held at Carlisle, Nicholas county, on May 5th, at 11 o'clock a. m., and the State Convention to be held at Louisville on May 6th at 1 o'clock p. m.

The District Convention at Carlisle is for the purpose of electing two delegates and two alternate delegates to the National Convention to be held at Chicago, a Presidential Elector for the Ninth District and a member of the State Central Committee.

The State Convention at Louisville is for the purpose of electing four delegates and four alternate delegates-at-large from the State to said National Convention.

W. D. COCHRAN, Chairman County Committee.

A. M. January, Secretary.

THE letter of Colonel HENRY L. STONE of Louisville to ex-Governor BRADLEY was like a bombshell in the Fairbanks camp, and has thrown a true light upon the scheme of BRADLEY to turn the tide of popular approval from TAFT to the Vice-President. Every voter in the Republican party should read carefully Colonel

STONE's letter, and should also probe BRADLEY's methods of running his political machine. The Senator-elect is trying to out-Beckham BECKHAM in his premature and mad endeavor to be a party boss.

The Republicans of Kentucky, as a party, refuse to stand for BRADLEY's schemes or to endorse his bulldozing policy of badgering the voters to accept his plan of campaign.

BRADLEY is against TAFT because he is against ROOSEVELT. He has developed into a politician of the brutal school of the Tammany brand, and the sooner he is made to understand that we want leaders and not bosses, the better for the party.

The Lexington Leader, commenting on Colonel STONE's letter to Mr. BRADLEY, says:

"Governor BRADLEY has been so long accustomed to rule with an iron hand, and has demanded and received so much in the way of personal flattery, that it is a revelation to everybody to see the tremendous tide of sentiment running against him even in the hour of his greatest triumph, when his political prestige should be greatest.

"BRADLEY and his immediate satellites have been so venomous in their attacks upon TAFT as to attract the attention of the entire country, and it is announced in Washington that extracts from some of his letters and speeches are to be incorporated in the Democratic campaign hand-book. He has now taken the stump in his warfare against Judge TAFT, and put himself in a position that will utterly destroy his usefulness in the campaign for Kentucky's electoral vote next fall and his influence in National affairs when he enters the Senate.

"Colonel STONE's letter is one of the strongest and most sensational deliverances in the recent political history of Kentucky, and it would have been a great thing if a speech along these lines could have been delivered wherever Governor BRADLEY has gone about the State seeking to complete his work of wrecking the Republican party. Mr. BRADLEY asked Mr. STONE for his views and they were given in plain English phrases without equivocation or concealment."

## DECIDE YOURSELF.

The Opportunity is Here, Backed by Maysville Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Maysville indorsement. Read the statements of Maysville citizens. And decide for yourself.

Here is one case of it: J. M. Lloyd, farmer, Rural Free Delivery, No. 5, Maysville, Ky., says:

"I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it may be the means of benefiting other sufferers of kidney troubles. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant dull pains across my back and through the loins. When I stooped or lifted, sharp twinges shot through my body and caused me the most intense suffering. Learning of Doan's Kidney Pills, I purchased a box at J. J. Wood & Son's Drugstore and began using them. The contents of this box effected a complete cure and since then I have not had a touch of backache or any other trouble arising from inactive kidneys."

## A STUNNER

The C. and O. Railway Company Defendant in An \$80,000 Damage Suit

The biggest damage suit ever filed in the Circuit Court Clerk's office in this city was left for record yesterday evening. While there are two separate actions, one for \$50,000 and another \$30,000, practically it amounts to one cause.

The terrible wreck on the C. and O. the 22d of May last at Lawrence Creek, a few miles below the city, which resulted in the injury of so many and death of another, is fresh in the memory of hundreds who witnessed the removal of the wounded from the train to the St. Charles Hotel.

Among the number of victims were Judge Lawrence W. Halsey and wife of Milwaukee, Wis. Mrs. Halsey died a few hours after being received into the hotel and the Judge was confined to his bed here for weeks before he was able to be removed to his home in Milwaukee, where, according to his pleadings, he remains a cripple and an invalid.

Judge Halsey brings action for \$50,000 for injuries to his own person and expenses incurred in consequence. Thomas A. Keith, Administrator of Mary L. Halsey, deceased, files action in behalf of the estate for \$30,000 damages.

Mr. Halsey recites that he is Judge of the Circuit Court of the City of Milwaukee, Wisconsin, and as such receives a salary of \$6,000 per annum, with perquisites amounting to \$650; that in consequence of his injury he has spent \$2,400 for medical attention, etc., and is now paying \$50 per week for medical and other necessary attention; that were it not for his maimed condition he could earn \$10,000 per year, and for these and other reasons he prays for \$50,000 damages.

## RIOT in SCHOOL

Scholars in Rooms Formerly Taught By Prof. Coryell Walk Out

The Board of Education Is Taking Drastic Action

THE PUBLIC LEDGER is very sorry to see the trouble that has so suddenly arisen in the Maysville High School.

We do not care to discuss either side of the controversy, or to enter into an analysis of the causes which have lead up to the summary dismissal of Principal Coryell.

Whether Mr. Coryell's suspension was legal, arbitrary or unjust we have nothing to say.

We do say, however, that the Board of Education should take drastic and summary action against the scholars who have taken the law into their own hands and have left school, thus defying the Superintendent and the city officials by declaring that they will never return to their studies until Professor Coryell is reinstated in his position of Principal of the High School.

THE PUBLIC LEDGER likes both Supt. Clinger and Principal Coryell, but we will never uphold this unholy spirit of riot, which seems to be implanted in the breasts of many Kentuckians and permit insubordination to rule and overturn the mandates of the Superintendent and the Board of Education without entering a protest.

We want no night riders of the juvenile brand hatched in Maysville, and the quicker the parents of the nearly 100 scholars who have openly defied the regulations of the city schools by walking out with their books, and the Board of Education get together and settle the matter to the advantage of the successful conduct of the Public School, the better it will be for all parties concerned.

THE PUBLIC LEDGER openly appeals to the young girls and boys to return to their books as quickly as possible and thus show themselves to be law-abiding young people or they will be marked for life as "insubordinates" and their consciences will be seared for a lifetime as a result of hastily committing a wrong.

### PICTURES TALK

Lyman H. Howe Now Has New Feature in His Travel Show

There is a war on in Cincinnati between the circuses that are coming there and Lyman H. Howe, the picture exhibitor.

The Howe show, that is at the Washington Theater Thursday night, goes from here to the Auditorium for three days in that city. A part of the new Howe program shows wild animals and birds. The company carries several kinds of apparatus for the "effects" of the roar of the lions and other animals. The cries of the hunters are also reproduced. These "talking" effects are a new thing.

The exhibitor is billing all the cities visited with "circus" paper and is bidding for the people who usually go to the menagerie to see the beasts and birds of the forests.

The gage marks 24.9 and falling.

## Stomach Muscles In Old Age

How Old People May Retain or Restore Good Health

Usually the bowels are not so active in middle or advanced years—as in youth. Just as the eyes grow dim, the skin wrinkled, the hair gray, the muscles flabby, so do the internal organs show their age if we could but see them. However we sometimes find a person whose age is near the meted three-score and ten and yet his step is sprightly, his eye keen, his flesh firm, his appetite good and his bowels regular, and upon close questioning you will find a life's history of right-living, good food, keen appetite, perfect digestion and regular bowel action.

Regular bowels and proper digestion of the food we eat is absolutely necessary to the enjoyment of good health by old or young. If the readers of this article are interested, we are glad to tell them how they can restore good health and prolong their lives.

Step into a drug store and purchase a bottle of Dr. Caldwell's Syrup Pepsin. It will cleanse the bowels of any waste matter that has clogged them up and restore to them strength and nerve force for regular natural daily action. It aids digestion by stimulating the stomach and digestive glands to a proper and sufficient secretion of the fluids necessary to perfect digestion. It acts on the liver and kidneys in a mild, quiet yet effective manner. Rev. A. J. Fletcher, of Rutherford, Tenn., is 80 years old, and it cured him of 60 years of dyspepsia. W. W. Sterling, Sioux City, Ia., says: "Dr. Caldwell's Syrup Pepsin is the best medicine I ever used and I am 88 years old." Dr. Thompson, Shenandoah, Ia., says: "I suffered 15 years with dyspepsia and it cured me." It is certain and effective in the most obstinate old cases, and yet mild and safe for the most delicate woman or child. All druggists sell it at 50c and \$1.00 per bottle. Pepsin Syrup Co., 304 Caldwell Bldg., Monticello, Ill. is glad to send a free sample to any one who has never used it and will give it a fair trial.

Sold By J. J. Wood & Son, Druggists.

FEARIS.

Morton Sparks is in the city, where he has a position.

Mr. D. Wat Fearis is putting up a fine veranda to his residence.

C. C. Degman of Springfield was here Saturday viewing the flood wreckage.

A. T. McCall sold to Mrs. Nancy Fry 25 acres of land, part of the old Jimmie Fearis homestead, for \$375, cash.

Billie Wilson of Pleasant Ridge has the contract for moving the M. E. Church back on a new foundation. Work began last week.

Nancy J. Fry sold her house and seven acres of land here to Toney Fry. Consideration, \$375, cash. Mrs. Fry got scared out by the floods.

As we have a stock law here people are slow about putting up wire fence since the flood. Road bridges may not be put up before fall.

#### SPRINGDALE.

Mr. J. W. Tully of Lewis county was here Saturday.

Mrs. C. C. Degman and Mrs. Priscilla Cruce spent Thursday with Mrs. Scott Fletcher, who is slowly convalescing from a long illness.

Mrs. Henry Emmons has returned to her home at Hamilton, O., after a visit with relatives here, in Lewis county and at Manchester.

Arbor Day was fittingly observed here. Many flags were displayed and a large crowd of citizens met at the schoolhouse. The yard was raked and vines, flowers and shrubs were planted; terraces and rockeries were built and sod put on the bare places. Two fine sugar maple trees were set, one named for Governor Willson and the other for Governor Cox. Mr. C. C. Degman, Chairman of the Board of Trustees, read the Arbor Day proclamation issued by Governor Cox and gave an interesting talk on the necessity of observing the day. As the flag march, transposed by Mrs. Degman, was sung, the crowd marched around the trees, saluting each in passing by its distinguished new name. After singing "America" and agreeing to meet on Friday, May 1st, to further beautify the grounds, the crowd dispersed.

Nice spring weather and the fruit crop is going to be a peach.

### MODERN METHODS How They Have Improved a Standard Remedy

In the 17th Century a wave of excitement swept over England and France when the medical profession discovered such wonderful curative elements in the cod's liver.

In the 18th Century cod liver oil was imported and used extensively by physicians in this country, but it was found to be adulterated to a great extent, and the useless heavy oil which enveloped the medicinal elements, a great hindrance to its medicinal value.

In 1855 a famous physician from the Hague went to Norway and after two years of experiment and research produced a light brown oil from the cod's livers which was said to be more valuable than the pale yellow oil, but the taste and odor was so repulsive that it frequently caused such nausea that it made it unpopular.

The most valuable discovery, however, was later made by two eminent French chemists, who, after years of research, discovered an extractive and concentrating process, by which all of the medicinal, healing and body building elements of the cod's liver are separated from the useless and nauseating oil. These recovered medicinal elements combined with peptonized-iron make Vinol the most scientific and valuable cod liver preparation which the world has ever known.

Vinol is so rich in the elements of life that it imparts vigor to all debilitated and feeble conditions and is unexcelled as a remedy for all pulmonary troubles.

Try Vinol on our guarantee to return your money if it fails to give satisfaction.

## "May the Good Lord Deliver Us."

There is not a religious organization but has members from whom it should pray, "Good Lord, deliver us." The Fraternal Orders could make the same prayer. The political parties are afflicted above all other organizations with members from whom they should pray, "Good Lord, deliver us."

The Republican party in Kentucky is now afflicted with two ex-Federal office holders, now State office holders, from whom the members should pray as they never prayed before, "Good Lord, deliver us," Ben L. Bruner, Secretary of State, and M. H. Thatcher, State Inspector.

Some weeks since, each of these gentlemen made a speech in this city. We know of no better way to describe their effect than to say that the local Democrats have proposed to the Republican County Chairman that in the campaign this year the Republicans have Bruner and Thatcher return and they (the Democrats) will furnish a good crowd and pay all expenses. The speech of Bruner at the Fairbanks meeting here last fall did our party as much harm as that of the great Indian did us good, which shows that a very weak man can tear down what it takes a strong man to build up.

There was a Republican meeting in Louisville Friday night. Bruner and Thatcher were speakers. We would not believe the newspaper reports of what they said but for the fact that they uttered very nearly the same sentiments here. We have too much respect for our readers to repeat in their own language what was said. Their position is as follows: There is a Federal office holders, machine in

Kentucky that has received orders from Washington to support a certain candidate for the Presidency; that the Federal office holders in Kentucky are men of no character and are obeying the orders from Washington; with a few honorable exceptions, they did not support the State Republican ticket, and favored the Democratic nominee for Senator. President Roosevelt is referred to as an impostor in that he pretends to be for civil service reform but does not enforce it. Democrats that came to us last fall and made it possible for these men to be office holders are referred to as "half-breeds" and notice given that their services are not wanted in the affairs of the Republican party.

Whom these men favor for the Presidency is not the question. The man they favor may be the best. But the success of Republican principles is above all men. These two men with every other one that approves their course are using the only effective means that can be used to prevent Kentucky from going Republican this fall. They endeavor to show that the administration of President Roosevelt is not worthy of confidence. They are by misrepresentation creating prejudice against those who hold Federal offices in Kentucky. They would drive from us the independent Democrats.

"May the good Lord deliver us" from the enemies within the party, men who are instigators of bad feelings, who would drive away, rather than bring to. We can hold our own with the enemies from the outside. We would not be irreverent, but if the Lord will just allow Bruner and Thatcher plenty of rope, we will be delivered. They will hang themselves.
